Confirm that the Consular Section has instructed the selected applicant(s) to complete a follow-up action.

Submitting a follow-up action request for an applicant who has not completed a visa application (by interview or courier) and received Consular instructions is considered an attempt to commit fraud and will have a serious negative impact on the applicant's visa application record.

Reason for Request (500 words)*

The Consular Section asked me to submit my passport so my visa could be issued
